EDITOR'S LETTER

Here at *Mayfair* we've all just got back from some hard earned summer holidays - and thank God! Can you imagine how crap a holiday is when it means you're deprived of the company of the hottest women on the planet, taking their clothes off and inviting you to take pictures of them? Quite. Thankfully we've got practically 12 months before we have to face that horror again. Mmm, a whole year of lovely naked ladies...

FUN OF THE FARE!

Dear *Mayfair*,
I've been a cabbie for around seven years now and, having been a painter and decorator before, I genuinely love my job. I enjoy chatting to people, meeting folks from all walks of life and I like the fact that I never get the same fare twice – in other words, I rarely have a boring day.

I try to be the least annoying cab driver I can be, which sounds an obvious thing to do, but believe it or not, some of my colleagues deliberately try to wind their customers up by smoking, talking relentlessly or even flirting outrageously. I may be a bit of a chatterbox occasionally – especially if it's a slow day and I'm starved of decent conversation – but I'm a non-smoker and being flirtatious certainly isn't me. I'd hate to think of my fare as feeling uncomfortable and, in fact, I've never actually pulled a customer. Not once. Well, up until a month ago, anyway!

I picked up a couple of girls from a club in town and was asked to drop them at different addresses in the same suburb. That's not an unusual thing on a Saturday night and I don't mind in the slightest – I see it as my job to make sure my clients get safely home in one piece, especially the young females. It can be a dangerous world out there.

One of the girls was obviously more worse for wear than her mate, so we headed to her place first. I pulled up outside, turned the engine off and hopped out to open the door for her. As I did, she practically fell out, she was so inebriated, so I slipped one arm around her and helped her to her front door. Her mate fished around in her bag for her keys and opened the front door, then took over supporting her into the house as I went and sat back in the cab.

A few moments later the second, more sober, girl came back to the car, and I was surprised that she jumped into the front passenger seat, rather than the back. I don't think that's ever happened before! She introduced herself as Amelia and thanked me for helping her friend to her door. We got chatting immediately and I got the distinct impression she was flirting with me!

This feeling was confirmed within a minute, or so, when Amelia hiked her already short skirt up, to give me a flash of her tiny knickers! I felt myself blushing – I certainly wasn't used to such forward women – and the blood flow instantly to my cock. Keeping my eyes on the road was more than a little difficult, but despite the distraction I managed to navigate my way to her street.

"So," Amelia said, huskily, "I can pay you now, or we could go somewhere and have some fun..."

I was again taken aback and looked at the sexy minx in my passenger seat. "You're the customer," I replied, "What would you like to do?"

"I know a place we could park up," came the answer, "Let's go there!"

I started the engine back up and followed her directions, finally pulling into a dark car park. No sooner had I cut the engine, than she leaned over, grabbed my face in her hand and placed a smacker on my lips. I kissed her back, pushing my tongue inside her mouth and feeling up her big tits through her skimpy top.

She then surprised me by lifting herself up and swinging her leg over to straddle me in the driver's seat, grinding her crotch into my hardening dick. I held her hips and thrust upwards, desperate to stick my cock inside her. She must have read my

AMARNA ROLL!

Dear *Mayfair*,
Any issue which features Bexie Williams (stunning cover shot, btw!), Holly Gibbons and Spencer Scott is bound to be a winner in my book, so 51.09 was a sheer joy from start to finish. However, the real star turn for me had to be the gorgeous Amarna, who seems to be thoroughly enjoying every moment undressing for the camera – including what appears to be a mid-session wank! The photograph on page 62 shows her bending over, red hair tumbling, and pulling her knickers to one side to show off her delicious bumhole and exquisite fanny, with an expression that seems to say, "What do you think of this then, lads? Come on, get stuck in!" has to be one of the horniest shots ever to have appeared in *Mayfair*! Can we please have more of Amarna and her delectable fanny?

I also enjoyed the photos of smiley debutante Bailey, who certainly knows how to spread her legs for your readers. This mixture of exciting new talent and established stars is what makes *Mayfair* the excellent publication it is!

Brian, Stockport.

Thanks Brian - we were rather taken with Amarna as well! We'll do what we can to get her back before long, have no fears! - Ed.

OH NATURAL!

Dear *Mayfair*,
Having been a purchaser of PRP magazines for longer than I'd care to admit, I have recently been reflecting on the declining standards of the models you feature, overall. Where are the modern day equivalents of the names of yesteryear, who would always be guaranteed to increase pulse rates? I'm referring to girls like Kirsten Imrie, Adele Stephens, Charmaine Sinclair, or, more recently, Isis Taylor. Nowadays only girls like Emma Green and Holly Gibbons serve as a reminder of your glory days.
It's all too obvious that far too many of the current crop of models have figures which owe much to cosmetic surgery and not enough to good old mother nature. How very typical of Britain in the 21st Century.
Of course we now come to the obvious question – will you dare to publish this letter, or is that honour only accorded to the letters which tell you how wonderful you are? Now there's a challenge for you – although not as great a challenge as finding the true glamour models of today and tomorrow.
Paul, Bedfordshire.
PS: Having just bought 51.09, and not withstanding all of the above, I would confirm that Holly Gibbons more than justifies her centre-spot! I hope we'll be seeing Emma Green again before long...
Thanks for your letter Paul - yes, we have printed it! I understand that you're clearly a fan of the natural boobs, and that's fair enough. We try to cater to all tastes at *Mayfair*, and perhaps you're right - girls with natural boobs do seem to be thinner on the ground these days, although yes, Emma and Holly are still flying the flag. Yes, we do live in 21st Century Britain and there's not much we can do about that, but we'll put our feelers out and see what we can do!

mind as she reached down and pulled her tiny knickers to one side, exposing her hairless cunt, making me breathe harder and faster, before unzipping my fly and pulling my rock hard member out. She gave me a quick tug, her soft hand wrapping around my shaft and wanking me a few times, before feeding me inside her tight twat.

I gasped, lolling my head back on the headrest as this vixen started bouncing up and down on my tool. I grabbed her arsecheeks, groping them as they flew up and down, Amelia pleasuring herself as she fucked away at me. Lifting her top up to reveal her gorgeous titties, she pushed them in my face and I latched onto one with my mouth, tonguing her nipple and sucking hard. This obviously did it for her, as she grabbed my head and pulled it hard towards her, smothering my face with her round breast.

Grabbing her hips, I thrust up into her faster and harder, banging inside her snatch until my cock was throbbing and my balls ached to release the jizz inside them. Although I didn't want to come so soon, it was an involuntary reaction to this sexy bird on top of me and I grunted loudly as I shot my load deep within the confines of her twat.

Realising what had just happened, she stopped bouncing and ground her hips down, expertly milking my nuts dry as she pulled her boob away and kissed my mouth once more. I thought I'd blown it, as she pulled herself off and clambered back into the passenger seat, but she smiled and said, "I believe you owe me an orgasm!"

Grabbing my hand, she place it underneath her crotch, so my fingers were level with her sloppy slit, and held it there as she told me to finger her. I dipped one inside up to the knuckle, spreading her lips with the rest and she happily settled back into the seat. Realising that one digit wouldn't suffice, I pulled it out and replaced it with three, enjoying the way she moaned as I roughly shoved them into her soaking pussy and instantly began fucking her with them. Moving her hips in time to my rhythm, her groans got louder and I thought she might be close to her climax. Just to make sure, however, I leant over the centre console and stuck my tongue out, trying to make contact with her clit. I couldn't quite reach, so Amelia bucked her hips up into the air, allowing me to not only lick her little swollen nub, but also sink it into her hole when I pulled my fingers out momentarily.

This seemed to please her, and she held my head in place, tongue crammed inside her pink wetness, as she frigged herself to orgasm. Her moans turned to shrieks and I was glad we were in a deserted place, still not quite believing that it was happening, but enjoying every single second of it.

But, as soon as she had orgasmed, she straightened her clothes and put her seatbelt on – a sure sign that our fun was over. Maybe I should have been slightly more forward, as I was dying to get my dick sucked, but instead, I tucked it back into my jeans and started the engine.

For a few weeks, I hoped that I'd pick Amelia up again, but it never happened. I figure she was just horny and I was in the right place at the right time. But what a place to be in!
Robbie, Portsmouth.

We can't help thinking that KissChase must have been a very popular game at whichever school Brooklyn Chase attended! We certainly can't think of a better away to while away a lunch break or two...

"Ha - well I wasn't called Brooklyn Chase back then!" she explains, "but yes, there was certainly a good bit of that sort of thing going on! I was always a pretty popular girl, and, well, as I got older the boys got pretty interested in a lot more than kissing!"

Well, you can't beat a well-rounded education, that's what we always say!

NEIGHBOURHOOD WATCH...

Dear *Mayfair*,
I've never really considered myself a voyeur before now, apart from watching the occasional porn film, but since the new people moved into the house over the road, your readers might just disagree!

I live on a street of smart detached houses in town and folk round here tend to keep themselves to themselves. I'd noticed the removal van earlier in the week but had thought no more about my new neighbours until a few nights later when I was going to bed. The street is tree-lined, which adds to the privacy, but you can obviously see in the windows of the buildings opposite when they turn the lights on at night. Usually, folk round here are pretty quick to close the curtains, but my eyes were drawn to the large bedroom window upstairs.

Standing in the brightly lit room, in full view, was a woman with long dark hair, and she appeared to be slowly unbuttoning her top.

Maybe I was mistaken as the street is quite wide and I couldn't see that clearly, but there was only one way to find out!

I ran downstairs and got my binoculars from the cupboard before returning to the bedroom and switching off the light. Resting my elbows on the windowsill, I focused the binoculars on the neighbour's window and got the shock of my life. She had definitely been unbuttoning her blouse, as she was now standing there in just a black lacy bra. She was about 25 years old and gorgeous, with long black hair that cascaded over her naked shoulders. She seemed to be looking directly at me but surely couldn't see me in my darkened room. My heart beat faster as I stared at her big breasts, beautifully wrapped in her fancy lingerie, and tried to see what she had on below her waist.

Unfortunately, she was standing too close to the windowsill but I could clearly see the bed behind her and hoped she would move away from the window. Raising my view back to her tits, my cock throbbed to attention as I watched her push the material clear and cup them in her hands. I checked her face again and she was definitely staring in my direction and was even smiling.

Realising this display was for my benefit, I undid my trousers and took out my rigid prick as I peered at her mauling her knockers. She slowly moved backwards and I could see the top of her garter belt, then her suspenders and then her shaven pussy and the top of her black stockings. I began to wank as she slid one hand lazily down her body and in between her legs. She spread the lips of her twat slightly with two fingers and inserted another slowly into her pink glistening cunt. I had to stop and frantically wipe the binoculars at this point as I'd steamed up the lenses with my panting. Focusing again on the object of my lust across the street, I saw she had now raised one stilettoed foot onto the bed and was rubbing her pussy hard while squeezing the nipple of one large breast between her finger and thumb. She was still smiling in my direction and my cock was throbbing as I indulged in my guilty pleasure.

Still fingering her hole, she clambered onto the bed, her arse thrust deliciously in the air, those lovely tits now swaying beneath her as she jerked herself off. I was just about to come when she suddenly pulled her finger from her slit and fell back onto the bed, spreading her long shapely, stocking clad legs as she did so. I paused, dick in hand, as she reached into a drawer beside her bed and pulled out a flesh coloured dildo.

A quick look at her pretty face showed her licking and sucking the cunt juice off her fingers, her eyes tightly shut in ecstasy as she manoeuvred the sex toy towards the entrance of her pussy. Leaning back, she lifted her legs high in the air and pushed the fake cock inside her twat. Fuck, she must have got about seven inches up her before she slowly pulled it out again. My binoculars were so good I could actually see the sticky cunt come glistening on the shaft and, as she began to pump the thing in and out of her hole, I shot my load all over my hand and the carpet.

After a few moments, I once again peered over towards her house but the curtains were now drawn and the entertainment was over for the night.

Luckily for me, my new neighbour's slutty performance was not an isolated display and I have spent a good few evenings watching her act the tart for myself, and probably others. She has even fucked her boyfriend or husband with the curtains open and the light on since that first show, and I can't wait until it gets dark to see if I'm in for another voyeuristic treat. I think it's time to splash out on stronger binoculars, in more ways than one!

Jake, Haversham.

BOLD BAILEY!

Dear *Mayfair*,
I had to write in praise of Bailey, who's appeared in your latest issue. You've certainly found a great model there, with some lovely naked shots and delectable open leg pics. Most of all she looks so happy throughout, with a lovely smile which suggests that she's delighted to be showing off her charms like that. You must get her back soon, if you can! And Holly just gets better each time I see here, with her blue eyes and stunning figure! No wonder I can't stop buying your magazine each month!
John, via Email.

Hello there TJ! We see you've acquired a rather saucy pair of kinky boots. They're rather fetching!

"Thanks. Yeah, I went to see a musical called Kinky Boots, and it suddenly made me realise what I'd been missing all this time! As soon as I put them on for the first time I felt like a whole different person. I love the way I can drive a guy wild just by crossing and uncrossing my legs in them!"

We don't doubt it, although you'd drive us wild in a pair of crocs!

SALE OF THE CENTENARIO!

As a way of celebrating a 100th birthday, we reckon this beauty from Lambo looks a tad more exciting than a telegram from the Queen!

How do Lamborghini celebrate a centenary? They build the biggest, most bad ass car they've ever made, that's how! Continuing in their tradition of limited edition models, Lamborghini have come up with the utterly beautiful Centenario. With a body built entirely out of carbon fibre and powered by a naturally aspirated V12 engine, producing 770hp, the Centenario accelerates from 0-62 mph in a mere 2.8 seconds, topping out at a speed rumoured to be in excess of 217 mph.

The Centenario's pure and essential lines are evident in a new design language throughout, demonstrating the quintessence of Lamborghini's commitment to 'form follows function'. A mono line from front to back defines the easily recognisable Lamborghini contours, with long, low overhangs front and rear creating a clean, sensuous, mono-body shape. Aerodynamic inlets made of several fins characterize both front and rear. Large air scoops in the front bonnet, while reminiscent of 1970s sports cars, are there for functionality: air is taken in through the car's front, contributing to downforce on the front axle. Furthermore, air flows through ducts within the front headlight casing and others in the sideskirts and around the wheel arches, improving the airflow to the rear radiators and providing optimized cooling. The roof including air scoops, takes its styling from aeronautic cues, enhanced by a hexagonal carbon fibre and glass engine cover.

The irregular wheel arches, both front and rear, are a defining feature of the Centenario, as they have been in other Lamborghini models. Accented in matt carbon fibre and concealing airflow ducts, they highlight the aerodynamic design of the car. The profile of the rear wheel arch particularly attracts attention, accentuating the Centenario's rear-wheel steering. Pirelli PZero tyres, developed specifically for the rear-wheel steering, sit on exclusive 20"/21" front/rear rims in forged and milled aluminium. The spokes' fan shape, accented in carbon fibre, mask ducts extracting hot air from the carbon ceramic brakes, finished with a central-locking wheel nut sporting the Lamborghini bull logo. The integrated rear diffuser dominates the back of the car, its substantial dimension optimising air flow distribution, maximising the car's downforce and aesthetically emphasising the importance of aerodynamics in the Centenario.

> "THE CENTENARIO'S PURE AND ESSENTIAL LINES ARE EVIDENT IN A NEW DESIGN LANGUAGE THROUGHOUT"

The Centenario takes Lamborghini's V12 engine as its powerplant, perfectly matching the dynamic potential of the car. The highly responsive engine, even at low revs, provides the unmistakable resonance and characteristics that only a naturally aspirated engine can. Uprated to provide an output of 770hp and with the engine speed limiter raised from 8,350rpm to 8,600rpm, the Centenario's is the most powerful engine produced by Lamborghini to date launching from standstill to 185mph in just 23 seconds! The Braking distances are equally impressive: from 60-0mph in just 30m and from 185-0mph in 290m.

The light-weight body of the Centenario is built entirely in carbon fibre, with a monocoque and all other body parts and trims in carbon fibre. With a dry weight of just 1,520kg, the Centenario achieves a weight-to-power ratio of 1.97kg/bhp. With permanent four-wheel drive, the Centenario adopts a new Lamborghini rear-wheel steering system. At low speeds the rear tyres turn in the opposite direction of the steering angle, which leads to a virtual reduction of the wheelbase. This provides increased turning agility at low speeds, requiring less steering angle and a reduced turning radius. At high speeds the rear tyres turn in the same direction of the steering angle, which leads to a virtual increase of the wheelbase. As a result the rear-wheel steering provides increased stability and optimises vehicle response. In the three Lamborghini driving modes, Strada, Sport and Corsa, the rear-wheel steering heightens the characteristics of each, particularly in lateral dynamics. The Centenario is fitted with Lamborghini's magneto rheological suspension and Lamborghini Dynamic Steering (LDS), especially tuned for the Centenario's rearwheel steering and providing optimal responsiveness and driver feedback. Transmission is via Lamborghini's Independent Shifting Rod (ISR) gearbox, providing a lightweight and emotive solution to achieving the fastest gearshifts possible.

The luxurious interior can be finished to each Centenario client's specification. Sports seats in lightweight carbon fibre

"THE CENTENARIO'S IS THE MOST POWERFUL ENGINE PRODUCED BY LAMBORGHINI TO DATE, LAUNCHING FROM 0-185MPH IN 23 SECONDS."

are included, with new stitching that features on the length of the dashboard, steering wheel, sunvisors, rocker covers, and the new inner door panels made of carbon fibre and Alcantara. Functionality and connectivity are essential features of the Centenario. Including satellite navigation, a high definition 10.1-inch touchscreen connects the Centenario driver to both the car and the outside world. Users can browse the internet, connect to email and social media and use online applications such as web radio. Apple CarPlay is included, allowing a safe, effective way to make calls, request directions, play music and access the functionality of an iPhone.

The Centenario will be produced as a limited edition, with only 20 coupés and 20 roadsters to be delivered from autumn 2016 and throughout 2017 with a starting price of a cool €1.75 million. This may sound a tad bit expensive, but all previous one-off models starting with the Reventón and including the Sesto Elemento, Aventador J and Veneno, gained instant curb appeal, achieved iconic status, and, unlike virtually every other used car in the world, have increased in value from the day they left the forecourt. So if you've got the cash, buying one sounds like a no-brainer really – it's just a shame all of the cars have already been sold.

When we last got to feast our eyes on the scrumptious Preeti she was snuggling up rather closely with her (obviously!) just as sexy twin sister Priya, but this time we've managed to get her on her own...

"Yes, well we might have a lot of things in common, but you'll probably be relieved to hear we don't do everything together!" she smiles, wickedly. "After all, sometimes it's better to have 100% of a man's attention focussed just on you!"

You've certainly got that, Preeti!

GENTLEMEN, That Reminds Me

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 112 Down Street, West Molesey, KT8 2TU.

A man was crossing a road one day when a frog called out to him and said, "If you kiss me, I'll turn into a beautiful princess."

The man bent over, picked up the frog, and put it in his pocket. The frog spoke up again and said, "If you kiss me and turn me back into a beautiful princess, I will tell everyone how smart and brave you are and how you are my hero."

The man took the frog out of his pocket, smiled at it, and returned it to his pocket.

The frog spoke up again and said, "If you kiss me and turn me back into a beautiful princess, I will be your loving companion for an entire week."

The man took the frog out of his pocket, smiled at it, and returned it to his pocket.

The frog then cried out, "If you kiss me and turn me back into a princess, I'll stay with you for a year and do ANYTHING you want me to do."

Again the man took the frog out, smiled at it, and put it back into his pocket.

Finally, the frog asked, "What is the matter? I've told you I'm a beautiful princess, that I'll stay with you for a year and do anything you want. Why won't you kiss me?"

The man said, "Look, I work in I.T. I don't really have time for a girlfriend right now, but a talking frog is cool."

"You're rushing me again, Gerald!"

The male teacher in a girls' school asked the biology class: "Who can tell me what organ of the human body expands to ten times its usual size when stimulated? Mary, can you tell me?"

Mary blushed furiously as she stood up. She said: "Sir, how dare you ask such a question? I will complain to my parents, who will then complain to the headmaster."

The male teacher was taken aback at first by Mary's reaction. Then, as understanding dawned on him, he called for another pupil, this time a volunteer.

Lily put up her hand. "Yes, Lily?"

"Sir, I believe the correct answer is the iris of the eye."

"Very good. Thanks, Lily," said the male teacher. He then turned to the first girl, who threatened to complain to her parents and the headmaster: "Well, Mary, I have three things to tell you: First, you have NOT done your homework. Second, you have a DIRTY mind. And thirdly, I fear, one day you are going to be sadly disappointed."

A man and a woman were having dinner in a fine restaurant. Their waitress, taking another order at a table a few paces away noticed that the man was slowly sliding down his chair and under the table, with the woman acting unconcerned.

The waitress watched as the man slid all the way down his chair and out of sight under the table. Still, the woman dining across from him appeared calm, apparently unaware that her dining companion had disappeared.

After the waitress finished taking the order, she came over to the table and said to the woman, "Excuse me, madam, but I think your husband just slid under the table."

The woman calmly looked up at her and replied firmly, "No he didn't. He just walked in the door."

An 80-year-old man was having his annual check-up and the doctor asked him how he was feeling.

"I've never been better!" he boasted. "I've got an 18-year old bride who's pregnant and having my child! What do you think about that?"

The doctor considered this for a moment, then said, "Let me tell you a story. I knew a guy who was an avid hunter. He never missed a season. But one day went out in a bit of a hurry and he accidentally grabbed his umbrella instead of his gun. He was in the woods and suddenly a grizzly bear appeared in front of him! He raised up his umbrella, pointed it at the bear and squeezed the handle.

"And do you know what happened?" the doctor queried.

Dumbfounded, the old man replied, "No."

The doctor continued, "The bear dropped dead in front of him!"

"That's impossible!" exclaimed the old man. "Someone else must have shot the bear."

"That's kind of what I'm getting at…" replied the doctor.

Scene from MAYFAIR

Adventures in time, this month, with features that vary between the 17th century to the 22nd, with plenty of laughs here and there (intentional or otherwise), although not in the last one...

WOODY ALLEN: 6 FILMS

Editor's PICK

Generally speaking anything from the 70s with an 18 certificate we review is a dodgy sex comedy or an Italian horror flick, but here's something a bit different – Arrow videos have packaged up 6 of Woody Allen's finest offerings from that decade and put them together in this fantastic boxset. Things kick off with 1971's *Bananas*, in which Allen plays – well, that character he pretty well always plays – and gets caught up in a Central American revolution. Loads of great gags – verbal and screwball – combine to mark it as the start of a golden era, and every film from then on in the set delivers in spades. Particular highlights are *Sleeper*, in which Allen wakes after a minor operation to find himself 200 years in the future, and, well, gets involved in another revolution, and *Love and Death*, his homage to Tolstoy that's a hell of a lot funnier than the recent *War and Peace* adaptation. And then there's *Annie Hall* and, well... it's all fantastic, frankly.

VERSAILLES

Us Brits love to get our teeth into a juicy costume drama, don't we? Even, as it turns out, if it's about a load of decadent Frenchies. This highly polished production has just finished running on the Beeb, although it was in fact a joint production between British, Canadian and French companies, and in all honesty it rather shows. The casting is fairly solidly British, with a rather effete George Blagden playing the Sun King Louis XIV himself, while his even more effete brother Philippe is played by the Welsh Alexander Vlahos. And to be fair they both give it their best shot, with plenty of flouncing about in outrageous costumes, meaningful glances and back-staircase skulduggery. There's a good bit of *comme-ça-tu-pére* to keep you interested, too, but the plots a bit preposterous and some of the acting's laid on a little thick. Then again, it's hard to resist – an eye-pleasing guilty pleasure that romps along at a good pace.

PATHS OF GLORY

100 years after the Battle of the Somme (and, perhaps more pertinently) the Battle of Verdun, here's a very timely release – a collaboration between ace Director Stanley Kubrick and star Kirk Douglas that wowed the critics three years before they worked together again on the spectacular *Spartacus*. It's a tale from the First World War, in which Douglas's principled Colonel Dax (a lawyer before the war) defends three soldiers who've been randomly selected to be executed following a failed offensive. It's a powerful piece of storytelling, and Kubrick is an assured hand at the tiller. The battle scenes are chilling and the courtroom scenes no less so. Star and director were on top of their games, and this has got to be one of the finest WW1 movies ever made, and this Blu-ray release from Eureka does it justice.

It's always a treat to welcome a newbie to the pages of Mayfair – especially when she's as delectable as Katie here and decked out in a stunning suspender belt combo! Those sussies look amazing, although they can't be very comfortable to walk in...

"I don't think I'd ever go hiking in them!" grins Katie. "I think the furthest I've ever have to walk in these is upstairs to the bedroom, and I can certainly manage that!"

That sounds exactly like our sort of hike!

These hot sweaty nights aren't really designed for reviewing grumble flicks, but our ace reviewer's too much of a pro to hand over the reigns to someone else for a bit. Or, as it happens, his stash of grot...

Harmony

DIVORCED MILFS

★★★★☆

Editor's PICK

CAST: Ash Hollywood, Kira Queen, Cathy Campbell, Silvia Lauren, Sophie Lynx.

Anyone out there remember when MILFs used to be a little bit long in the tooth? You know, someone who either really did have a kid or three, or at least looked like they might. Well either it's just me getting older, or else MILFs are most definitely getting younger and more nubile. I swear I've seen exactly the same girl appear in teenie flicks and MILF flicks in the same year. Still, to be fair, Silvia looks like she may well have turned 30, at least, and is thoroughly enjoying the nude massage she's getting. By way of thanks, she whips out her masseur's cock and gives it a slurp, before allowing him access to her admirably hairy snizz. She rides him cowgirl and reverse before wanking him off over her fulsome bush.

By contrast Kira is clean shaven, but none the worse for that as George Uhl puts her through her paces, and then we get blondes Ash and Cathy sharing a cock in a thoroughly eye-pleasing manner before Sophie gets the sort of check out from her doc you rarely see offered on the NHS these days, sadly. **Available from your local sex shop.**

★★★★☆

Wicked

SUICIDE SQUAD

CAST: Kleio Valentein, Asa Akira, Riley Steele, Anna Bell Peaks, Katy Kiss.

Suicide Squad (the real one, that is – not this porno parody) got a thorough pasting from the critics when it came out a couple of months back, but that didn't stop it breaking records at box offices around the world! Goes to show, doesn't it, that people who write film reviews really don't have a clue what the punters'll like! Ahem, in any event I reckon it's safe to say you'll like this take on the story – a baffling and brash mixture of all sorts of superhero nonsense with a plot that quite possibly bests it's big budget namesake – on account of the fact that you get to watch goddesses like Kleio Valentein and Asa Akira having it off in fine style! We're eased into things with a lesbo pairing of the two of them, in a stark white room, poking each other in the lady parts with a combination of tongues and fingers, before we're whisked off to a series of frenzied couplings and treblings. Highlights are Asa and Lexington ballistic bummery, and Kleio's grimy threesome with Batman and The Joker. Whatever next, eh?!

Harmony

STRAP-ON BITCHES

CAST: Erica Fontes, Susan Melo, Sara Ray, Talia Mint, Carla Kinky, Valentina Bianco.

Hey, I used to have a pair of them when I was a nipper. Oh, hang on, I thought it said britches. No, just to clarify, I never had a pair of strap-on bitches when I was a tot – they would have been quite wasted on me, for starters.

"Who," asks the blurb on the back of this DVD, "needs a man when you can have a strap-on?" Well there's a rather loaded question. I mean you can see, as the film progresses, that the girls all enjoy themselves thoroughly as they poke each other silly with a selection of garish pink, black and flesh coloured appendages they've attached to themselves, but at no point does one of them spot a spider in the corner and scream. I'd like to see their sex-toy dart out to the kitchen, grab a glass and a piece of card and capture the errant arachnid for them before chucking it out the window. In other words, yeah – us men are good for more than providing cocks to ride whenever you're feeling horny, ladies! As it turns out, the girls on display here do seem to feel horny a lot of the time, and make the most of the fake phalluses on offer. There are 5 scenes but, you'll note, only six girls in the cast, which means there's a fair bit of chopping and changing going on. Still, it does mean that most of them are now qualified to decide which is better – to give or to receive. **Available from your local sex shop.**

NOELLE

Age: 21 **Vital Stats:** 36DD-26-36 5'4"
Photographer: JS Hicks/EXP

We'll admit it - we were toying with the idea of sitting on these pix of Noelle until Christmas, purely so we could make a pun on the cover about it, but given that it's a bright outdoor set and that the Ed's not particularly noted for being able to hold anything back for long (except his wallet)... well, here she is! And to be fair, it'd be a bit crappy of him to deny you her for another three months, wouldn't it?

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

When my relationship with my boyfriend Harry hit rock bottom a few weeks ago, I suggested we book a cheap holiday in the sun to try to fix things up. We'd been so busy with work over the past six months that we hadn't paid much attention to each other and I thought a break abroad might help spice up our very stale love life. I wasn't wrong – although things didn't turn out quite the way I'd planned.

It was such a relief to leave behind our worries in rainy Britain and chill out on the hot sands in Tenerife. We spent the first few days simply soaking up the rays on the beach and having romantic meals at night, enjoying being alone together. But on the fourth day Harry got chatting to a bloke called Stevie who was sunbathing next to us on the beach. I must have dozed off and woke up to the sound of them laughing loudly next to me. I rolled over, my skin warm and damp from the sun, and was about to complain about the noise but stopped when I saw Stevie's handsome face. He was smiling and watching me intently. Suddenly feeling exposed, I instinctively grabbed my bikini top to cover my large bare breasts. I wondered how long he'd been watching me as I obliviously sunned my bronze chest.

"Sorry we woke you Karen," said Harry, "this is Stevie, he works in one of the bars here."

"Nice to meet you Karen. I see you like the sun," he almost whispered in a flirtatious way that I thought would irritate Harry. But even as Stevie blatantly scanned my hot slender body, my boyfriend didn't flicker. And when our new friend suggested he meet up with us for a drink that night, Harry amazingly said yes. Stevie sat on the beach with us for a little longer, constantly eyeing my figure and his attention started making me really horny. But not only did it turn me on, the fact that Stevie was admiring me seemed to be exciting Harry too. My bikini bottoms were soaking wet with excitement by the time he left us and I couldn't wait to see him again.

I downed far too much vodka while we waited for Stevie later that evening and when he eventually arrived I was giggly and relaxed. The three of us got on brilliantly and when Stevie asked me to dance, Harry just raised his eyebrows and smiled in encouragement. I'd never known Harry to react so well to another man giving me attention and as the night went on it became more apparent that he was really getting off on the fact that Stevie wanted me.

Harry joined us on the dance floor and rubbed himself against my bum. I found myself sandwiched between two horny men and I could feel both of their erections pressing against me. I wriggled between them and their gyrating groins made me dizzy with lust. Stevie's hands wandered to my hips and when he began stroking the shape of my curvy body. I wondered how far Harry would let him go, but he didn't stop him, instead he slipped his hands under my arms to grope my bouncing tits. I flung back my head in ecstasy, I couldn't tell who was doing what. Suddenly there were hands all over my body, stroking, squeezing.

I don't know if Harry and Stevie arranged it but we were soon making our way back to our hotel room. The men walked on either side of me, Stevie with his hand down my top and Harry with his hand up my skirt. By the time we staggered through the door I was gagging for a good seeing to.

> IT FELT SO DIRTY TO BE FUCKED BY ANOTHER MAN IN FRONT OF MY BOYFRIEND...

"Take her mate, I want to watch while you screw her," Harry said, taking a seat on the bed. I couldn't quite believe my ears but I wasn't about to miss out on such an opportunity.

Stevie grabbed me and pulled me to him, his stiff prick again rubbing against my pelvic bone. He began kissing me passionately and as he unzipped my tight top and skirt I heard Harry unzipping his trousers. My clothes fell to the floor, leaving me standing in just a black g-string and Harry grunted in excitement. He'd taken out his throbbing cock and began to wank it slowly while Stevie caressed my tanned curves.

But his gentle treatment didn't last long. He took hold of my fleshy boobs and kneaded them firmly, before taking my nipples between his teeth and chewing them. I yelped, at first because it hurt, but then in excitement because it felt so fucking good. Then he whipped down my g-string and pushed me onto the floor. I was positioned on all fours at Harry's feet when Stevie thrust his pulsating dick into my sticky snatch. I moaned in delight and looked up to see Harry watching excitedly. It felt so dirty to be fucked by another man in front of my boyfriend and I loved every minute of it.

Stevie's cock was huge and it sank all the way inside my tight warm hole until his balls slapped against my bum cheeks. He allowed himself a few seconds to savour the sensation of having his prick swallowed by such a small hot cunt, before starting to build a steady momentum. He drew his cock almost completely out of my wet fanny before plunging it back, deep inside. I could feel his glands stimulating my G-spot and I ground down against his shaft. Stevie groaned and grabbed my heavy swinging tits to steady himself as he pounded away at my hole.

By this point Harry looked like he was ready to fire his cream. His wrist was shaking furiously and his face contorted with pleasure. But instead of releasing his spunk, he decided he wanted to join in. He knelt down next to me and forced my head onto his veiny muscle. Now skewered at either end by two enormous dicks, I was in my element. I must have looked like a wanton porn star – sucking on one cock and taking it doggy-style from another and I intended to finish like a professional.

Although I could hardly breathe because of the powerful thrusts I was taking from behind, I concentrated on sucking Harry's cock properly. I gave him long, wet strokes to make him feel like he was screwing the tightest fanny, and I managed to take it much further down my throat than ever before. Harry seemed to appreciate that and grabbing handfuls of my hair, forced my mouth further and further down his twitching shaft.

The thought of being used as a sex toy by two men was just too mind-blowing for me to cope with and as I battled to take both cocks I felt an orgasm slowly building. I grabbed Harry's buttocks and held him steady between my lips as I started rocking around on Stevie's prick. My movements stimulated my aching clitoris and in seconds I was coming hard. I would have screamed in sluttish delight but Harry began ramming his cock in my mouth again in a new frenzy and as I felt my pussy juices leak down my thighs, Harry shot his load over my face. His wrist jerked as he finished himself off all over my cheeks and mouth and he didn't stop until he'd milked every last drop from his cock.

Stevie watched as I gulped away, trying desperately to swallow Harry's come and this spurred him on. He gave my fanny a few more firm thrusts then pulled out and he too wanked his load across my face. I hadn't even had a chance to wipe Harry's spunk from my cheeks when Stevie fired his wad at my mouth. This time I was better prepared and managed to swallow a mouthful of his goo. He moaned loudly as the last stream of cream covered my lips and I finished him off with a tongue bath.

We met up with Stevie a couple of times after that night, as I said the holiday certainly spiced up our love life.

"I GRABBED HARRY'S BUTTOCKS AND HELD HIM STEADY BETWEEN MY LIPS AS I STARTED ROCKING AROUND ON STEVIE'S PRICK."

I was born in Australia and, like a lot of us Aussies, after I graduated I headed to the UK. I've been here for three years now, but my family are still back in Oz and I miss them terribly. Working as a barmaid has its good and bad points – one of the bad being that I don't earn enough to go back home as often as I'd like. Thank goodness for Skype!

However, at the beginning of this year, after saving hard for months and an unexpected Christmas bonus, I was able to afford to head home for a couple of weeks.

After spending a few days with my family, I posted on Facebook to see if any of my old mates fancied a catch-up while I was there. One of the people who responded, much to my surprise, was an old school friend called Tanja, who I hadn't seen in about a decade. I had a nosy around her profile, as you do, and found out she had a girlfriend, Maddie. Although she'd never come out when I knew her, it wasn't a huge shocker to find out she was a lesbian – she'd always been the adventurous type, but never had a boyfriend, whereas the rest of us had had more than a few!

We arranged to go out for drinks, but I wasn't expecting her to bring Maddie along – not that I minded, of course. I really got on with Maddie from the off – she was quiet, but not the type who'd put up with any bullshit. When I talked about my boyfriend back in England, Tanja seemed a bit disappointed, "I could've sworn you were into girls," she said, "My gaydar must be out of whack!"

"Not at all," I replied, grinning broadly, "I'm not fussy – I swing both ways, after all!"

Maddie laughed at that and I was sure that she became just a bit flirtatious with me. Tanja was always a tactile person, but Maddie would occasionally brush my arm or hand while making eye contact over the course of the night, and with a few drinks in me, I found that every time it happened, my clit would twitch.

When closing time crept up on us, the girls definitely weren't ready to call it a night, inviting me back to their place for cocktails.

"I make a mean Cosmo!" Maddie told me, enticingly. Who was I to refuse? Even though Tanja was pretty sexy, I'll admit it was Maddie I really fancied. Things were a little bit awkward at first – I don't think I was nearly drunk enough – until Tanja went out to fetch more drinks, that is, and Maddie decided to sit next to me on their plush sofa.

"I know you fancy me," she whispered, leaving me a little stunned. How are you supposed to react to that? Luckily she wasn't waiting for an answer and before I knew what was happening, she'd leant in and gently kissed me on the lips. I felt a bit flustered and went to pull away – her girlfriend, my mate, was in the next room, after all – but she pushed towards me and kissed me more firmly, holding my face in her hand.

Tanja timed her reappearance perfectly, coming back into the room just as Maddie started to snog me properly. I jumped, pulling back and looking guiltily up at her, but Tanja simply put the drinks down, grinned and sat on the other side of me, caressing my bare shoulders. I got the impression that this wasn't the first time this had happened.

Once I realized that it was cool, I relaxed and kissed Maddie back as her tongue slid into my mouth, exploring, as her girlfriend nuzzled into my neck, causing my pussy to tingle and dampen. I'm not sure how, but the three of us ended up entwined around each other, snogging, caressing and licking bodies, our clothes disappearing item by item, until we were all naked.

Tanja pushed me back so I was lying on the sofa and told Maddie to "jump on", which Maddie did, squatting over my face, her legs straddling my head and her pretty shaved pussy opening up as she splayed her legs a little. I licked her fanny, tentatively at first, but soon I was lapping up her tasty, musky juices and nibbling softly at her clit.

I didn't realise what Tanja was up to until she shoved a pink jelly double-ended dildo between my face and Maddie's vag, ordering me to suck it before disappearing with it

again. She moaned loudly as she inserted one end inside herself and my body trembled with anticipation as I tongued her snatch, knowing where the rest would end up.

Despite this, I jumped as Tanja spanked the free end of her dildo lightly against my mound, before butting the head of it against my hole. I was so wet the dildo seemed to slide inside me faster than Tanja wanted it to. She kept pulling back and trying to screw it slowly and gently, but soon gave up on that and started thrusting hard instead. I felt my pussy squelch and suck on it, the sound dampened out as Maddie's thighs tightened around my head.

Maddie was squirming on my face and although the dildo had looked quite long, mine and Tanja's pussies were swallowing it up totally, so that we met in the middle and I could feel Tanja's pubes brush against my bald mound.

Trying to concentrate on Maddie's fanny as Tanja screwed me with the double-ender, I rolled her clit between my fingers as I tongue-fucked her, relishing the little mewling noises she was making until she came, squirming around on my tongue. She spurted her juices into my mouth – a new experience for me – then settled back to watch while Tanja and I brought each other off. We finally collapsed into a heap, which is where I woke up the next morning!

I wouldn't have minded doing it again, but it was sadly a one-off. However, I keep in touch with the girls now I'm back in the UK and we've said we'll meet up again when I next head back home. They did make me think about pulling women more often, though, and I figure I might just head down to a gay club sometime and see if I can pull myself a girl to fuck for the night!

I'm now in my final year at college and, as well as knowing I'd have to buckle down to study this year, I also realised this would be my last opportunity for a mega-long summer break. Once I graduate I'll be looking for a job! So I decided to do Thailand on a shoestring budget, living in a hut on the beach.

I wasn't sure at first – I'd never stayed anywhere so basic. But I gave it a couple of weeks and ended up loving it, especially when I met a bloke called Marco. He was Swedish, probably spoke better English than me and was fit as fuck! If it wasn't paradise then it was pretty close – Marco had the biggest, hardest dick I'd ever played with and just messing around with each other under the stars – or in the sea, when we could get away with it – was such a turn-on.

Obviously we didn't keep ourselves to ourselves all of the time. We met loads of people, but had the most fun when another Brit – a lad called Jim – moved into the hut next to ours. By this time I was all tanned, more toned (from all the fucking and exploring we had been doing) and had got used to wandering around with not much on. This apparently made me Jim's wet dream.

> I REALLY WENT FOR IT, TAKING HIM DEEP AND RUBBING HIS BOLLOCKS AGAINST MY CHIN.

Of course Marco – who had an evil sense of humour – got off on me winding Jim up, wandering around in my G-string bikini, and so on.

One afternoon, I was lazing around the hut when Jim crept in as quietly as he could. "Jim's having a wank next door!" he said. I'd been listening to my iPod, but when I switched it off, I could hear him moaning. He didn't actually call my name, but Marco reckoned he was definitely thinking about me while spanking his monkey.

Marco then said we should really give him something to get excited about. It was always hard to say no to him, especially when he had a hand in my knickers! As he fiddled away at my clit, I was all but purring with pleasure. I'm a bit of a moaner and screamer anyway, but this time I laid it on really thick for Jim's benefit.

All Marco was wearing was shorts, so I got his cock out over the elastic and started giving him one of my special blow-jobs. I gave a running commentary right up until my mouth was too full to talk, and then Marco took over, telling me to suck him good, loud enough for Jim to hear. The idea of some bloke getting turned-on by our fucking got me all wet and excited.

We were keeping half an ear open for Jim's reaction – and soon realised he was now outside, watching us through a tiny gap at the side of the bamboo window-blinds. And, as far as we could tell, he was still wanking away.

"Oi, mate!" Marco said, sounding scarily English, "Come and join in the fun if you want, don't stand out there!" We assumed he'd bolt – I actually felt sorry for the poor

sod. But instead he stood exactly where he was and asked if we really meant it. I still had a mouthful of Marco's cock, but I nodded.

I was still sucking when Jim walked in. He had a pair of baggy swimming trunks on and one hand down them, but I felt my eyes go wide when he pulled out his cock. He was one of those little blokes who somehow manage to be massively well endowed. Even Marco looked a bit taken aback when I shot a glance up at him.

He responded by grabbing the back of my hair, not roughly, but letting me know he wanted me to carry on sucking him. I really went for it, taking him in deep and rubbing his bollocks against my chin. Jim still wasn't sure exactly what to do, so he just stood there wanking away. I got this tingly tightness in my pussy so, as I sucked on Marco's cock I started frigging myself, three fingers up my wet snatch.

At last, Jim got the message and moved towards me, but Marco suddenly pulled out of my mouth, got in behind me and stuck his cock into my cunt. Jim let out a groan, gritting his teeth – frustrated or maybe just turned on by what he was seeing. I felt a bit pissed off with Marco getting possessive, but I didn't have to feel disappointed. I licked my lips, moistening them, and Jim walked round to the front of me, wanking his cock at my eye level.

It looked so huge, the tip of it all purple and engorged, so I started by licking it all over. He tasted sort of meaty and salty, hot against my tongue. I thought he'd blow at any second but when he didn't, I started sucking him in a bit further, a bit harder.

As I let out a groan, Marco started giving it to me harder, too. One minute he'd be thrusting in and out really fast, the next, he'd just bury his cock deep in my hole, grinding hard up against my slit and crack. A couple of times he shoved me forward, so I took Jim's prick right down my throat. In the end, I curled my fingers round Jim's root, so I had some control over how deep I was taking him – you need it with a cock that size! But this also meant I was able to let him just fuck my mouth.

So there I was, on all fours in a beach hut, one big cock pounding away at each end. Marco slowed down a little bit now, pacing himself but I kept up the suction on Jim. He didn't even try to resist. The second I felt that little twitch that said he was close to coming, he just groaned, "Yeah…" and the next second I was taking two ripe bollocks-worth of spunk down my throat.

Still reeling from this he made a move for the door, but I told him to stay where he was.

Age: 21
From: LANCASTER

I wasn't finished with him yet. Marco was fucking me too hard and fast to last, and a couple of seconds later he pulled out, spraying my arse, then using his cock – still hard – to trace patterns in the mess and rub it all up and down my juicy crack.

I did let Jim nip out to get his bed-roll, then I just lay in between the boys, letting them have their fun with me. I told them the first one to get hard again could do me up the arse, but Jim settled for fucking my pussy, while burying his thumb in my backdoor. Marco just took things easy, wanking slowly until he was ready to take another sucking, and when Jim shot his load up my cunt, he was ready to take over fucking me again. I don't think there was one time a hard cock wasn't waiting when I needed one, and I didn't leave the boys hanging around either.

Unfortunately Jim was travelling around the country, so we only saw him for a few more days. After that, Marco and I kept it on a one-on-one basis, until he left to go back to Sweden. We spent our last weekend together banging each other senseless, so much so I practically bathed in his spunk! I'll always remember my time in Thailand – it was the trip of a lifetime!

MAYFAIR
Classic

Amanda

She has the thoughtful, considered look of a girl who doesn't take decisions lightly, but when she does, look out! Amanda Jacobi took all of two years to decide to bare her 37-24-35 in Vol 22 No 1. Judging by your reaction it was worth the wait.

MAYFAIR Classic

Back in the day *Mayfair* readers used to imagine themselves having long, well-argued discussions about philosophy with the girls who appeared in the mag. We can't help wondering if that's still the case these days. Any girls in this issue you'd like to argue about Platonic dialectics with? Frankly, we don't want to have any sort of Platonic relationship with them!

'She's definitely thinking man's crumpet,' enthused DM of Wolverhampton. 'I could well imagine having a long and well-argued discussion with her on philosophy — just as long as she wears those thin taut suspender straps and lets me see her fabulous boobs!' AW of Exeter, meanwhile, claimed Amanda had the 'Joan Bakewell touch — a perfect mix of glamour and brains.' In fact Amanda, now 23, boasts an impressive six 'O' levels and two 'A' levels.

Amanda was working for a finance company in Surrey when she first posed for us. She admitted it was shyness that had kept her away from the camera, but now, having overcome that first hurdle so successfully she is moving steadily into a fulltime modelling career. After jobs as a PA, a fashion journalist (in Rome) and a receptionist at *Stocks* nightclub in Chelsea, this promises to be her most exciting yet, even it if means curbing her one passion — for Chinese food.

Jada

Had enough of stunning girls taking their clothes off for your delectation this year? No, neither have we – so it's just as well we've got another slew of hotties doing their *Mayfair* thang lined up for you next month, isn't it? We've got plenty of goodies up our sleeve, and we haven't quite decided who's going to go into issue 11 yet, but just to get the balls rolling we've settled on Jada and Ariana here for starters. Just imagine how tasty the main course and the pud are going to be!
